
Health Benefits Trust Fund CHIEF EXECUTIVE OFFICER

Position acts as CEO/Administrator for new Hawaii Employer-Union Health Benefits Trust Fund that provides health benefits to state and county public employees and retirees. Will work with trustees to establish operations for and operate a \$500 million fund (approx. 90,000+ participants).

Requires 5+ years senior management experience administering health benefit programs with direct involvement with executive-level decision-makers; investment, legal, and financial professional advisors; and service providers including experience with benefit plan design, service contract negotiations, and supervision of management staff.

Must be a leader with a high degree of autonomy; business acumen with excellent analytical skills and ability to interpret financial and operating information; effective communicator; comprehensive knowledge of employee benefit programs, benefit plan design and administration.

Salary commensurate with qualifications and experience; generous benefits package.
